The provincial organizing body holds three events per year in November, March and June. The events include a special seminar with a guest instructor, a tournament, and belt rank examination. Participation in the tournament is not a requirement for examination. Attendance at the seminar is required for those taking a belt rank examination. The November and March events are two day events held on a Saturday / Sunday. The location is rotated between the various Saskatchewan clubs. The June event is one day (Saturday or Sunday) and is always hosted at the provincial headquarters in St. Louis, Sask. The costs for these events vary. An example of the typical cost for colored belts at a past event is given below. Black belt costs are somewhat higher.

Testing (includes seminar fee, new belt and certificate)	\$90.00
Seminar only	\$50.00
Tournament	\$20.00
